1:09CV528

On July 23, 2009, the United States Magistrate Judge's Recommendation was filed and notice was served on the parties pursuant to 28 U.S.C. § 636. Petitioner filed objections to the Recommendation within the time limit prescribed by Section 636.

IT IS THEREFORE ORDERED that this petition is dismissed for failure to apply to the Fourth Circuit Court of Appeals for an order authorizing this district court to consider the current petition as is required by 28 U.S.C. § 2244, and that finding no substantial issue for appeal concerning the denial of a constitutional right affecting the conviction, nor a debatable procedural ruling, a certificate of appealability is denied.
